

Tiny Talk

Dear Potential Donor,

Our third annual fundraiser, **Tiny Tok**, will be taking place on October 5th, 2024, at the Mulcahy's Pub & Concert Hall in Wantagh, New York from 1-5pm EST. We are hosting this fundraiser in support of our 501 c.3 non-profit organization, **UnbreakableBrooke Foundation**. Last year's event raised over \$30k, this year we are hoping to top that! To meet this new goal, we are seeking sponsors from local businesses and individuals like yourself. The generosity of individuals and businesses make our mission of giving medically fragile and medically complex children a chance to move freely and enjoy life while having fun with their families.

This event and our foundation have grown in so many unexpected ways. Not only have we built an incredibly successful social media platform, captured the media's attention but we have also gained the attention of several political figures. Many of which have shown their support by attending our events.

Today we are asking for your support, we are hoping you will consider sponsoring our event. We hope to gift (12) fully Adaptive Power Mobility Vehicles to medically fragile and medically complex children and would love for you to be a part of our journey and theirs. Enclosed you will find the sponsorship package breakdown sheet. Every donation makes a difference and helps us get closer to our goal, regardless of size.

Please feel free to contact us via email with any questions. Thank you in advance for your support!

Best regards,

Tiny Tok Event Coordinators
